The screenshot shows the top navigation bar of the Dataiku website with links for Join Dataiku, Learning Center, Sign In, EN, and a language selector. Below the navigation bar are two buttons: "CONTACT US" and "GET STARTED". The main header area includes the Dataiku logo and a breadcrumb trail: "Dataiku » Get Started » Install Dataiku on Windows".

Install Dataiku on Windows

Dataiku DSS wasn't originally designed to natively run on Windows. It is available as an experimental version and only for testing. Dataiku does not provide official support for this installation.

An overlay window titled "Dataiku DSS" is shown, containing a "DataikuLauncher" dialog box. The dialog box has a title bar with a close button and contains the following text:

```
You are about to install Dataiku DSS
```

Below the text are two buttons: "→ Install Dataiku DSS" (highlighted with a red underline) and "→ Quit". At the bottom of the dialog box, there is a note:

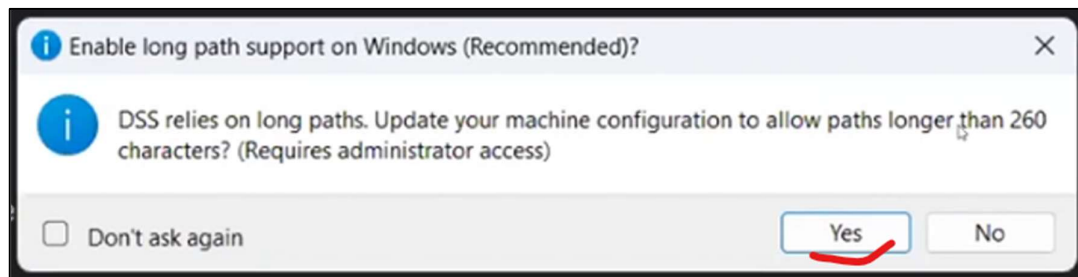

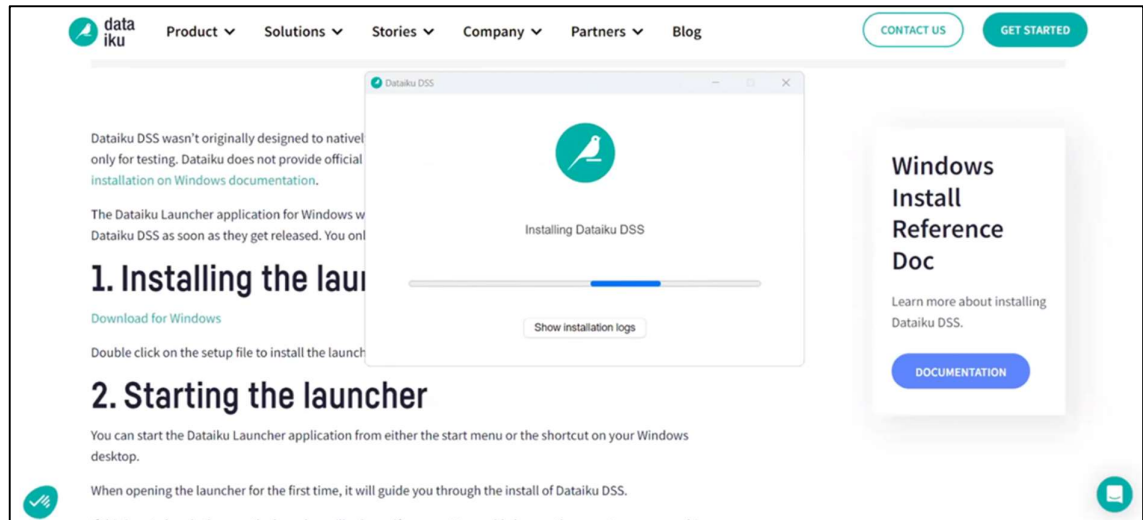

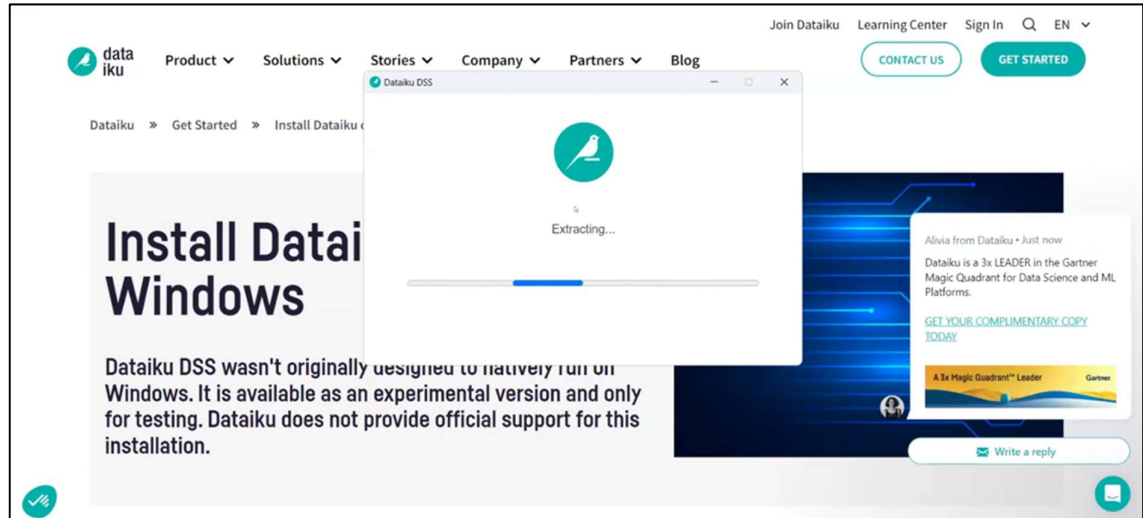

```
This is a limited version of Dataiku DSS and is provided for testing purpose only. Please refer to dpc.dataiku.com for more information.
```

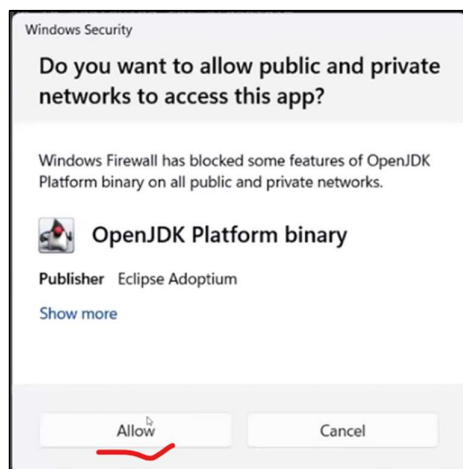

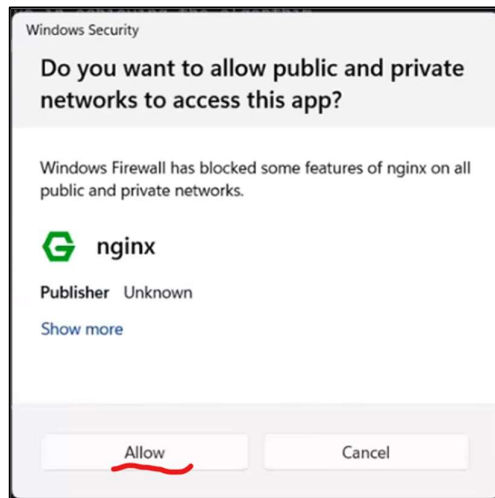

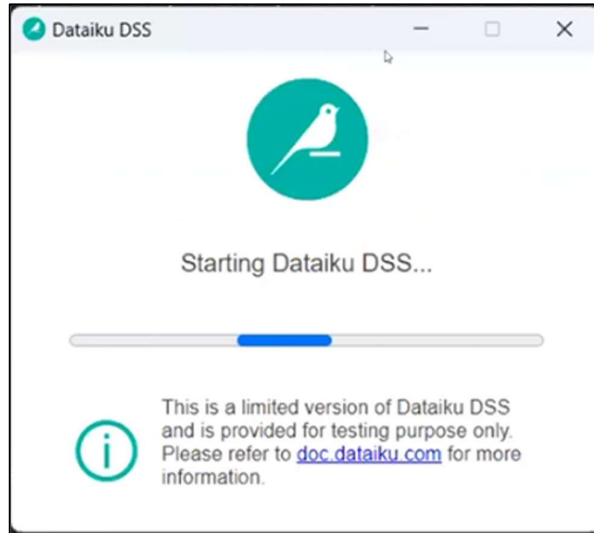

In the background, a Gartner Magic Quadrant chart is visible, showing Dataiku as a "3x Magic Quadrant Leader". A callout box from Alivia says: "Alivia from Dataiku • Just now Dataiku is a 3x LEADER in the Gartner Magic Quadrant for Data Science and ML Platforms. GET YOUR COMPLIMENTARY COPY TODAY". At the bottom right, there is a "Write a reply" button.
